Long Beach Pedal - 65 km

A great ride through the Wainfleet swamps and flat countryside of the southwestern Niagara Region, it provides the opportunity for a stop halfway at the lovely Long Beach conservation area and beach! Just the thing on a hot summer day! Then fly back to Welland with the prevailing winds, for a barbeque on the banks of the Old Welland Canal.

Map and route directions created and provided by the Regional Niagara Bicycling Committee and the Niagara Economic & Tourism Corporation (NETCorp)
