The South Niagara Falls Loop - 30 km

Starting at Kingsbridge Park, there are opportunities for a picnic at the beginning or along the Niagara Parkway on the return leg. Favourable winds should help in achieving some record speeds on the east side of the QEW. Try this route on its own or tack it onto the end of the Niagara Falls Loop.

Map and route directions created and provided by the Regional Niagara Bicycling Committee and the Niagara Economic & Tourism Corporation (NETCorp)
